Students can:

- **Connect** with people who work in health care.
- **Learn** about the skills and education needed for different careers.
- **Try out** the simulation labs and see live demonstrations.
- **Discover** the diversity of careers within health care, including technology-related jobs.

Did you know?

- The health care sector is the region's largest employer.
- The average salary in health care is \$53,350, higher than the average for other sectors. Registered nurses in Oregon earn \$80,000 and more. *(Source: Worksystems Inc. 2014 report)*
- The region's three major employers in health care are hospitals, clinics and care facilities.
- New treatments, plus a growing & aging population, mean great job prospects in health care.

The NW Youth Careers Expo is the Northwest's premier career-education event, attended by 6,500+ students and 100+ employers. It shows students the amazing diversity of career opportunities in our region. Featured sectors include health care, arts & communication, technology, manufacturing, design, construction, business, energy, education and human services.
